Re: Living Harmony Project Letter of Support

To the Board of Supervisors and LAUSD Beyond the Bell,

I am writing to express my support for the Living Harmony Project's application for Los Angeles County Supervisors Discretionary Grant Funding through the proposed "Please Hold" The Score of LA Music Mentor Project.

The program will create a unique after school mentorship program for youth, aligning with our determination to offer youth every opportunity to grow with mental health, with creative expression, and to reach their highest potential. The six week afterschool program will provide a one-of-a-kind experience to those interested in creating and producing music, video, and web design with lasting use for Los Angeles County that participants can look back on and take with them after graduation. Afterschool programs are a lifeline for so many youth, especially those that connect students with industries and activities that highlight their passions and career goals.

Should you have questions, please reach out to my District Director, Ryan Valencia, at (805) 370-0542 or Ryan.Valencia@asm.ca.gov.

Sincerely,
